The background of the entire page is a detailed, monochromatic illustration of an anatomical theater. It features a large, circular, tiered seating area where several human skeletons are seated, facing a central stage. On the stage, a human figure lies on a table, surrounded by various anatomical instruments and structures. Above the stage, a large, ornate structure resembling a theater facade is visible, with the Latin inscription 'ARCHIVUM INSTRUMENTI ANATOMICI' (Anatomical Instrument Archive) on its pediment. The scene is filled with various anatomical details, including bones, muscles, and scientific instruments, creating a historical and academic atmosphere.
